Fun day report

On August 25,2018 fun day was started with morning assembly. It was fresh and energetic start of the beautiful day.

It was the rakshabandhan festival on next day ,so rakhi making activity was planned for this fun day. Children enjoyed this activity very much. Every child participated in this. Other activities like drawing , painting ,indoor games ,outdoor games, personality development ,PT etc. were planned for the children .Teachers guided children in these activities. Children participated and enjoyed a lot.

Community lunch was organized .Students have brought their favourite dishes. They shared the meal with their friends.

Lastly fun day was conducted very smoothly under the supervision of principal sir. All the primary staff worked very hard to make it successful. It was indeed a fun day for our kids.
